

REPORT IT

Lancaster BID are encouraging businesses in Lancaster city centre to report instances of crime and anti-social behaviour (ASB).

ASB is any form of unreasonable behaviour that has a detrimental effect. Examples of ASB include damage, threats, abusive language, drug dealing, drug abuse, rowdy behaviour, noise nuisance, drunken behaviour, urinating in public, fly-tipping, littering and aggressive begging.

If you witness this behaviour, please report it at lancaster.gov.uk/ASB or by emailing asb@lancaster.gov.uk or phoning 01524 582935.

If the behaviour involves a criminal offence, such as damage or drug dealing please call **101** or **999** if it's an emergency. The easiest way to report a crime is online, to do this, please visit Lancashire.police.uk/reportit.

Reporting ASB and criminal activity, no matter how minor the offence, provides the Police and other services with the evidence they require to tackle persistent issues.

If there is a crime in progress, when violence is being used or threatened or when there is danger to life, you must ring 999.
